Students should do the MATH courses which are required in the Advanced Maths (Honours) specialisations they choose – for example, the mathematics and statistics specialisations specify MATH1131/MATH1231 or MATH1141/MATH1241 rather than MATH1031/MATH104.

For ECON1202, the substitute courses are: MATH1031 or MATH1131 or MATH1141. For ECON1203, the substitute courses are: MATH 1041 or MATH1231 or MATH1241.

The ECON courses are not substitutes for these MATH courses. No credit will be given if students also complete the ECON courses. The courses ECON1202 and ECON1203 can only count towards the BEc component of the degree.
